

CSRC CHALLENGE COINS

The purpose of the CSRC Challenge coin is to recognize our fellow Respiratory Care colleagues from the Disaster Relief Teams from the State and Federal levels. These individuals have made sacrifices above and beyond their normal work duties which have been deployed to assist several hospitals, quarantine sites, and makeshift treatment facilities all over California. This challenge coin is given to honor their work and is a symbol of the CSRC's gratitude for their heroic acts.

Qualifications:

Must be a Respiratory Care Practitioner, Certified Respiratory Therapist, Registered Respiratory Therapist, or similar Military Occupational Safety Code in the military who has assisted in one of the following:

- A member of the California Health Corps and/or California Medical Assistance Team (CAL MAT) who directly assisted and/or deployed with State's response to COVID-19 pandemic in the State of California.
- or**
- A member of the National Disaster Medical System Disaster Medical Assistance Team (NDMS-DMAT) who directly assisted and/or deployed with State's and Federal's response to COVID-19 pandemic in the State of California.
- or**
- An Active Duty, Active Reserves, or Reactivated military servicemember of the US Army, US Air Force, US Navy, US Coast Guard, US Marines, US Space Force, National Guard, and Air National Guard who directly assisted and/or deployed with State's and Federal's response to COVID-19 pandemic in the State of California.
