Declaration of Vested Interest Form

Instructions: ALL PRESENTERS MUST COMPLETE THIS FORM

Name of presenter:

Name of employer:

Definition: A presenter may have an interest in or affiliation with an organization, which does not prevent him or her from making a presentation, however, *the audience must be informed of this relationship before the presentation of the activity*. For this purpose, a real or apparent conflict of interest is defined as having a significant financial interest in a product to be discussed directly or indirectly during the presentation; being or having been an employee of a company with such financial interest and/or having had substantial research support by an industry to study the product to be discussed at the presentation.

I recognize that I must follow all guidelines and criteria regarding vested interest.

No, I have no real or perceived conflicts of interests that relate to this presentation.

Or

Yes, I have the following real or perceived conflicts of interest that relate to this presentation:

If "Yes" please describe real or perceived conflicts of interest that relate to this presentation

If "Yes" please describe how you plan to be free from bias in this presentation:

FDA Approved Drug and Devices Assurance Statement

Any discussions regarding the utilization of FDA drugs or devices that are not within the approved regulations (off-label use) will be clearly explained to the learners

. Signature of Presenter

Electronic Signature is permissible
