

California Society for Respiratory Care

Speakers: Erin Niggemeier, RRT, RCP Patrick Maull, RRT, RCP

Ingrid Tolenado, RRT, RCP and Cory Hillard, RRT, RCP

Topic: CPR and School Campuses

1 CEU

Goals and Objectives:

1. State the incidence of bystander CPR for victims of sudden cardiac arrest in the United States.
2. State the percentage of states that require students to be CPR certified to graduate from High School
3. Describe reasons the speakers feel strongly that CPR training should be required/offered on college campuses.

Date & Time: Monday September 24, 2018 6:30-8:00 pm

Location: Grossmont College Griffin Gate
